The Tucson Police Foundation is an independent, non-profit, charitable organization dedicated to fostering public safety through community building, education, and outreach to support the Tucson Police Department. While the city budget provides the necessary resources to fund the operations of the Tucson Police Department, a number of important community programs have been threatened or cut back due to lack of funding. The foundation was created as a catalyst in responding to this threat so these beneficial programs would be funded. The foundation supports the Safe Teen Accident Reduction Training (START) Program, the CASE Program upgrading equipment for the department, SWAT training, and the Service Dog Unit among other projects. For more details and membership information, contact us one of these ways.

Please turn in this form with the donations before September 25th in order to be accurately processed!
